

KNOTS & SPLICING

AT THE NATIONAL YACHT CLUB

Open to Non-Members

National Yacht Club is pleased to welcome back Professional Knot Tyer and member of the International Guild of Knot Tyers (North American Branch), David Lambert. David insists that knot tying is the love of his life! To David, a rope and canvas craftsman, the best fragrance in the world is a project prepared with Stockholm tar! Learn from David as he brings his years of practice and his mastery of many complicated knot structures, to use in both decorative and practical purposes.

Knots

Join David Thursday January 28th or April 1st, 2010 for an adventure in knots! Learn to construct a selection of 10 general purpose and time-honoured holdfasts. Learn the applications of each and how to use them together. Handouts & take home "practice line" included.

Dates: Thursday January 28 or April 1, 2010 6:00 pm to 9:00 pm

Fee: \$40.00 plus GST

Please Note: Students must supply a sturdy pair of scissors.

Splicing

Learn the time-honoured tradition of rope splicing. Construct a loop and back splice with step-by-step hands on instruction. Use this knowledge to repair or update your dock lines. Take home your very own Splicing Kit including 1\2" fid, 12" pusher, tape, needle, whipping twine, marking pen & 20' of line (kit valued at \$50). Only 10 students per class. Advanced registration recommended.

Date: Thursday February 18, 2010 6:00 pm to 9:30 pm

Fee: \$80.00 plus GST

Please Note: Students must supply a sturdy pair of scissors and a pair of needle nose pliers.
