

# NAVIGATION COURSES

## AT THE NATIONAL YACHT CLUB

*Open to Non-Members*

### **Coastal Navigation, Piloting, GPS and Electronic Charting and/or Celestial Navigation**

National Yacht Club is pleased to announce the return of our popular Coastal and Celestial Navigation Series. Prepare for your upcoming off shore adventures with instructor Nick de Munnik as he plots your course through the muddy waters of Coastal and traditional Celestial Navigation. Each course runs for 4 evenings, plus two optional daytime Saturday workshops.

### **Coastal Navigation, Piloting, GPS and Electronic Charting**

Upgrade your basic understanding of navigation and make better use of your GPS! Prepare for the moment your electronics take a holiday. Topics include chart work, plotting fixes, use of GPS, electronic charts and plotters, radar, buoyage systems, tides and more! All in four, two hour evening sessions and two optional workshop sessions.

**Course Schedule:** Tuesdays 7:00 pm to 9:00 pm - January 19, 26, February 2 & 9, 2010  
Optional Workshops: Saturdays 10:00 am to 12:00 pm - February 6 & 13, 2010

**Fees:** \$95.00 plus GST or both courses for \$195.00 plus GST

### **Celestial Navigation**

Learn the traditional way to navigate at sea. This uncomplicated course is a must for anyone venturing offshore and a great back up for electronic systems. Sessions cover both basic theory and practical use of this primary navigation method in four, two and a half hour evening sessions and two optional workshop sessions.

**Course Schedule:** Tuesdays 7:00 pm to 9:30 pm – February 23 March 2, 9 & 16, 2010  
Optional Workshops: Saturdays 10:00 am to 12:00 pm - March 6 & 13, 2010

**Fees:** \$120.00 plus GST or both courses for \$195.00 plus GST

### **Textbook**

These courses are based on the required textbook "Get Home Navigation". Topics include all the aspects of Navigation, both coastal and celestial in a single 150 page fully illustrated book. A worthwhile addition to any ships reference library.

**Fees:** \$25.00 plus GST
